Download ClassIn

The screenshot shows the ClassIn website's download page. The browser address bar displays `classin.com/en/download.html`. The navigation menu includes 'ClassIn', 'Solutions', 'Resources', 'Pricing', and 'Download'. A 'Request demo' button is visible in the top right. The main heading is 'ClassIn for Windows', with a subtext 'Download ClassIn for free for a one-stop solution to online education'. A large green 'Download' button is prominent. Below this, there are three boxes for 'download for Mac Os', 'download on the App Store', and 'get it on Google Play'. The 'Features' section is partially visible at the bottom, with 'Teacher Features' selected. A help chat bubble is in the bottom right corner.

The screenshot displays the Blackboard interface for a course named "August'class - 181". On the left, a navigation sidebar includes icons for Home, Contacts, Drive, Course (highlighted with a green box and the number 1), Blackboard, and Settings. The main content area is divided into two sections. The top section, labeled "Calendar" (highlighted with a green box and the number 2), shows a calendar for January 2022. The date "03 / Jan Monday" is highlighted with a green box and the number 3. The bottom section, labeled "Teacher (1)", displays the course details for "August'class - 181" on "01/03/2022 09:15 Monday (15min)". A video player is shown below the course details, with a play icon and a bar chart icon (highlighted with a green box and the number 3) indicating playback and learning report options. The video player interface includes a "Video List" on the right with "Classroom Video" and "Video of On-the-spot Scene" sections, each containing three numbered buttons (1, 2, 3). A "Course Info" section and a "Teacher" profile are also visible on the right. A "Today" button is located at the bottom of the calendar section. The video player controls at the bottom show a speed of "x1.0", a volume icon, and a play/pause button.
